

Mrs. Fred's K4 Class

May 14, 2021

It is hard to believe that the year is winding down. The children are so excited for summer to come. The children started to notice the changes in the trees and in the flowers as we walk in from the playground. Last, I introduced a new learning concept, addition. We worked on basic $1 + 1 = 2$ and added several objects and shapes. They are doing an amazing job!
