

Miss Seest's K4 Class

April 12, 2019

I hope you all had a safe snow day at home. The students were so excited on Friday about the snow. This week, we had a wonderful time learning about Australia and Australian animals. The children learned a few Australian words and loved practicing them to their friends. We learned how God created very unique animals. During our Bible lesson, we learned about Zacchaeus and Jesus friends: Mary, Martha, and Lazarus. Next week, we will be learning about the Easter story! How Jesus died and rose again the third day! Last, we have been working on counting objects. This has become more difficult as we learn larger numbers, but the students are working hard.

This week's Learning Points

- Zacchaeus and Jesus Friends: Mary, Martha and Lazarus
- John 14:6
- Writing letters
- Dragonflies with our buddies
- Reading sentences silently
- Learning Concepts: Australian Animals: platypus, emu, Kookaburra, wombat & koala
- Counting objects in the teens

Important Dates

- Friday, April 19 – **No School – Good Friday**
- Friday, April 26 – **Elementary Spring Concert and K4 & K5 Music Open House**
- Wednesday, May 15 – **All tuition payments due**
- Friday, May 24 – **Last Day for K4/K5 students**

Notes and Reminders

- **Next week, we will be sending home the children's sleeping blankets to be washed over the long weekend. Thanks!**
- Please check our class website <http://k4.fourthbaptistchristianschool.org/> for class information and pictures. If you have any questions or concerns, please feel free to email me at hseest@fourthbaptist.org or talk to me in person.
