

Miss Seest's K4 Class
September 13, 2019

This week has been great! I feel like the students are becoming more comfortable with school and we are starting to see each of their personalities. We love listening to their stories and questions throughout the day. We are continuing our work on our vowels. This week we specifically looked at Ee. We learned that elephant starts with the letter Ee and all of the students can make incredible elephant sounds. Also, we have worked on shapes and counting. We have also scheduled our field trip. Our field trip will be Wednesday, October 23. Please be sure to check out our field trip form and see the important information. Please let me know if you have any questions or concerns.
